INTRODUCTION

Cardinia Shire Council

Cardinia Shire is diverse across all of its communities. From the hills to the plains, Cardinia Shire has a wide range of natural and built environments. Comprising 1,280 square kilometres of land, it is situated 50 kilometres southeast of Melbourne and is one of eight 'interface councils' forming the perimeter of metropolitan Melbourne and providing a transition between urban and rural areas. Cardinia Shire is experiencing some of the fastest population growth in Australia. The population is located in three distinct areas: the hills, southern rural sub-regions, and the growth area (which encompasses Pakenham).

1 RESIDENCY DETAILS

Cardinia Shire Council is seeking Expressions of Interest from a professional contemporary musician/s to lead a month long residency program for four independent emerging musical groups/individuals in collaboration with a professional sound engineer.
