

CBF Specialist Show Funding Guidelines

A program must meet the following conditions:

- it is being broadcast regularly (weekly, fortnightly or monthly) on or before the grant submission date. A program that ceases part way through the funding period or is off air for any significant length of time during the period may receive part funding. A program that starts after the grant submission closing date will not be funded until the following round.
- it is locally produced and focuses on local material (which can include contemporary Australian music), and is not a re-presentation of a program already broadcast either on any analogue or digital service.
- it serves the needs of a defined local ethnic community
- it provides settlement assistance, news, information, and/or cultural maintenance and development for the local ethnic language/cultural community
- **it has at least 50% spoken content**
- **any religious content is less than 25% of the spoken word content**
- it is broadcast between 6 am and 1 am
- it meets the particular conditions of the individual program category ie. Ethnic, Multicultural, Ethnic Youth or Multicultural Youth
- it complies with standards of the Australian Communications and Media Authority and sector Codes of Practice
