

3MDR Community Participation Policy

Purpose

To ensure our community has clear and meaningful ways to participate in the management, programming, and operations of 3MDR.

Policy

1. Membership applications will only be refused on fair and transparent grounds, with a review process available.
2. Membership benefits will be promoted widely through on-air announcements, drives, online platforms, community events, and local media.
3. Non-member volunteers will be encouraged to contribute to Programming Committee discussions where possible.
4. Subscription benefits will be promoted to community groups and listeners.
5. Partnerships will be formed with Volunteer Coordinating Services to attract community volunteers.
6. Membership and volunteer statistics will be recorded and reported at the Annual General Meeting.
